VERGIL'S AENEID

by Charles Knapp, Ph.D., Barnard College, Columbia University

A prominent high school teacher writes us:

"I have submitted to my class six editions of Vergil and asked them to look every one over carefully. After doing this each member of the class was to hand me a slip of paper with the names of the different editions in the order of excellence, in the opinion of the person handing in the paper. Thus far, about one-third of the thirty-five members of the class have handed in the ballots. As I expected, KNAPP'S VERGIL leads the list on EVERY ONE".

Half leather, dark green. Twelve full-page half-tones, map and small cuts. Separate text for classroom. \$1.40.
